

March 4, 2024

Welcome New Greenhill Families,

We would like to take this time to invite you to Greenhill's Extended Day Program. We have been taking care of Greenhill students' after-school needs for the past thirty-two years with caring staff. Our program offers care for prekindergarten through eighth-grade students and follows the Greenhill calendar. Please read below for additional information about our program and for enrolling your child for Extended Day for the 2024-2025 school year.

Currently, 265 children from Greenhill attend the Extended Day Program. While many of the children come because their parents are working, others enroll for the social aspects and the enrichment opportunities. Children may experience crafts, art, science, indoor and outdoor games, and special cultural projects. Each year the Extended Day Program hosts the Extended Day State Fair and The Art Showcase. During these culminating events, children have authentic experiences and create memories that last a lifetime. Children also have the opportunity to enroll in our "Extend and Explore" classes such as coding & robotics, chess, yoga, and more.

Extended Day provides a safe, convenient, and fun environment for children to interact with friends. Our program is offered five days a week, and fees vary depending on the length of time that you need your child to stay with us. All children must be enrolled to attend the program and spots fill up quickly.

We are fortunate to have separate space for prekindergarten and kindergarten, for Primer/first and second-grade, and third and fourth-grade students in our Extended Day rooms conveniently located between the Preschool and the Lower School buildings. Fifth through eighth grades share space in the Dining Hall. We continue to have eager and experienced teachers who provide the highest quality aftercare for the students of Greenhill School by demonstrating enthusiasm, warmth, and respect for children, parents, and colleagues within a safe, relaxed, and enriching environment.

If you are considering enrolling your child(ren) in Extended Day for the 2024-2025 school year, please watch for a registration notification email in mid-July with information about how to register through CampBrain. Our enrollment is limited and spots fill up quickly. If you have any questions please call 972-628-5564 or e-mail henryd@greenhill.org.

Sincerely,

DeBorah Henry
Director of Extended Day
